

# AGENDA 2014

Após o êxito de 2013, decidimos renovar a parceria entre o **Rotaract Club de Torres Vedras** e a **Associação Para a Educação da Criança Inadaptada**, brindando todos os torrienses com esta agenda que pretende mostrar que a prática desportiva faz parte do dia a dia das pessoas portadoras de deficiência.

Juntaram-se a este projeto novas entidades que abrilhantaram o cenário, trazendo mais movimento e mais ação aos intervenientes que usufruíram de momentos inesquecíveis. Da conceção gráfica ao guarda roupa, o nosso obrigado!

Este é o fruto do trabalho árduo de quem todos os dias tenta fazer mais e melhor pela comunidade de Torres Vedras.
